## INFORMATION UPDATE

### FROM THE BOARD OF MALEK FAHD ISLAMIC SCHOOL

Tuesday, 13 April 2021

#### Ramadan Mubarak!

All of us on your School Board wish you and all students, parents, teachers and staff *Ramadan Mubarak* on this first day of Ramadan.

This is a joyous time in the Islamic Calendar and, therefore, in the life of our Malek Fahd Islamic School.

It goes almost without saying that the values we teach at Malek Fahd are highlighted in Ramadan; faith, fasting, spiritual reflection, prayer, charity, doing good deeds for others and enjoying time with our families and friends.

Thankfully, the social restrictions of COVID-19 in last year's Ramadan will not be as challenging or difficult this year when fasts break at sundown.

The School will advise you of the hours that the School will operate during Ramadan.

All of us on the School Board hope that you will begin this blessed month in fine health and enjoy it with your family in prayer and peaceful reflection.

Ramadan Kareem!
